____ Provides evidence of little or no command of grade level grammar, capitalization, punctuation, spelling)

____ The final draft is not neat or attractive. It looks like the student just wanted to get it done and didn't care what it looked like.

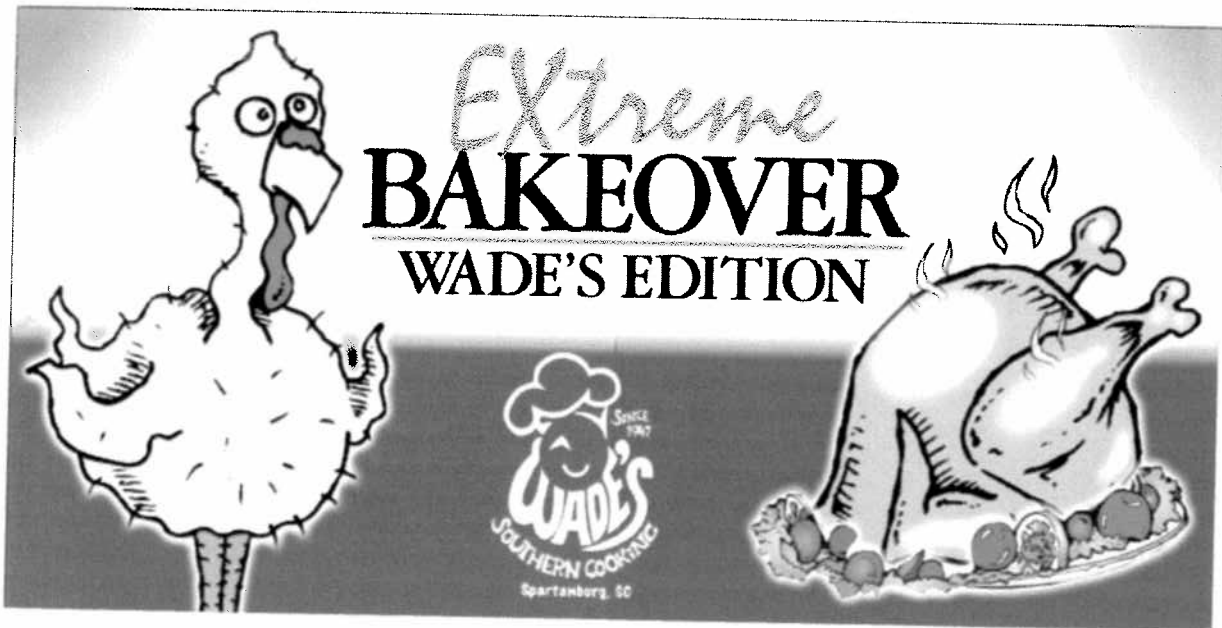

____ No title.

____ The writing is not a review.

Wade's Review

Funny southern cooking here I come! You should come to WADE'S!!! They have the #1 most superior fast service. When I plopped in my seat the waitress came in and was ready to serve us already in such a short time. When I had gotten my food, which were crunchy chicken, juicy green beans and mouth-watering rolls, it smelled so fresh and it look so tasty. Then I tasted it. OOH that is so delicious. The best part was I had my money's worth. The place also looked so great. It had a southern look and it had lots of pictures of reggies and old family photos. When I left I was stuffed. That is the most yummiest field trip ever. Did you know that this is Wades 60th anniversary? I assure you that you should go.

Wade's Review

If you are looking for southern cooking Wade's is your place to go. For a wonderful eating experience. The food was mouth watering. We had green beans, Maroni and cheese, fried chicken, and rolls and I had some water. I love the fried chicken it was juicy and greasy, just then I knew I like it. I love the way we sat down and they were coming out with the food and our drinks. We also got our money's worth. It was 5.00 totals for the meal, tax, tip, and bus. The atmosphere is really great because they keep it clean. They also keep the bathroom clean to. They gave us sucker to suck on that was nice. This is the best restaurant ever. If you don't know where Wade's is you need to find out. I would be glad to help you where Wade's is. I recommend Wade's as the place to eat.

My Wades Review

If you want authentic southern cooking and homemade yeast rolls, then Wade's is your place. For about 7 dollars you get healthy veggies, and wide variety of meats and deserts.

The service was great. Two of the waitresses were Toni and April. They were friendly. Even though they have around 40 people to serve, they met everyone's needs with a smile. They had knowledge Toni told me what is in the macaroni (Eggs, Milk, and Cheese.)

The food was yummy. I ate macaroni, chicken, green beans. I drank tea. It smelled really wonderful. The food was not cold, it was not hot it was warm. They gave me a lot even though I ordered a small plate!

The lighting was bright. It was decorated really neat (plants, Halloween, and pictures.) The bathrooms were clean so was the room.

The meal did not cost as much as I thought. It was not a lot for the amount of food we got. \$5.00 to the teacher but our meal was only \$3.75. Eat at Wades. If you don't your missing out.

My Trip to Wade's

Have you ever been to Wade's? Well if you like homemade chicken, green beans, and some warm homemade yeast rolls Wade's is the place for you! Whenever my family and I have free time Wade's is our first choice. In my opinion they have the very best service. Last time I went our waitress April and Toni were wonderful. We never had to ask for anything because they got it for you before you even had the chance to ask them. When you go to Wade's It's very clean and sanitized. When you sit down everything is very neat and organized. You will almost never find food on the floor or a table dirty before you sit down .

Once I sat down I was ready to eat. I ordered a chicken leg, macaroni, and green beans. I love their chicken and how the crust was crunchy because that's the way I like it. I also like their

Mouth – watering cheesy macaroni and their wonderful green beans. I really think my food and service was worth what I paid. You will never leave Wade's with an empty stomach. I will be back
